

**Harmony Management** has joined the **4th Annual Hindman Sanchez Community Can Can**. This food drive raised over 18,000 pounds of food last year. The competition is a two part event, first part is to collect the most canned goods and we hope to make a major contribution with at least 500 cans. The second part is a creative challenge to build the coolest structure out of the cans collected.

This is an actual competition amongst different community management companies from across the Denver area. Our team name is the Full Belly Homestead and we are planning to win! Please help us reach our goal of 500 cans to donate to the Food Bank of the Rockies.

We are accepting canned good donations at our office Monday-Friday between 10am-5pm, as well as mailed in gift cards to a local grocery store of your choice. We will accept donations until Wednesday, September, 11th.

**Office: 6500 Stapleton Drive S. Suite K Denver, CO 80216**
