

## The Community Can Can charity event was a huge success!

Thank you to all who helped in our quest to collect. This was Harmony Management Group's inaugural attempt to win the competition, unfortunately, we didn't take the cake...

The day was not a loss by any means and many lessons were learned. We found that Lamas and Alpacas do not like the ears touched but goats love it! We witnessed firsthand

what the community can do when it teams up, great contributions can be made and lives are truly affected. Finally, we learned that no matter how stiff the competition, all differences can be mended with the simple joy of working for something bigger than ourselves (and a couple of people in drag always helps!).

Thanks again to all who helped us in our quest to collect and compete. The real winners are those who received an abundant amount of food from this great charity event.
